

RECIPROCAL TRANSFER AGREEMENT WITH TEACHERS' PENSION PLAN AUTHORITIES

This information sheet provides information to help you ascertain as to whether you may be eligible to transfer a benefit under the terms of the Reciprocal Transfer Agreement between the Teachers' Pension Plan Authorities. The purpose of a reciprocal transfer is to combine pensionable service that you have in separate pension plans with your current plan to enable you to retire with a higher pension income. Transferring may allow you to retire sooner, have less early retirement reduction, and have your pension calculated possibly with a higher average salary.

ELIGIBILITY REQUIREMENTS

- Your application is received while you are currently a contributing active member of the importing pension plan. **NOTE:** If you are transferring to ATRF, you may be eligible to transfer if you ceased to be an active member with ATRF on or after February 1, 1995 but before July 28, 2001.
- If you are transferring from ATRF you must have ceased to be an active member with ATRF on or after February 1, 1994, unless the Importing Plan is the British Columbia Teachers' Pension Plan (BCTPP). If the Importing Plan is the BCTPP, you must have ceased to be an active member with ATRF on or after February 1, 1995.
- You have ceased to occupy a position with the exporting pension plan and are not an active member of the exporting pension plan.
- You have been participating under the importing pension plan for any portion of a day in each of at least 20 days.
- You have pensionable service with the exporting pension plan.
- You are not in receipt of a pension from either the importing or exporting pension plan.
- Outstanding issues such as a division of pension due to relationship breakdown must be resolved before the transfer can take place.

REQUIRED DOCUMENTS

- Two copies of the Transfer Application Form are attached – complete both and send one to the importing pension plan and the other to the exporting pension plan.
- Verification of your date of birth is required. **A listing of acceptable proof of age documents can be found further in this document.** If your name is different on your date of birth documents from what we have on file, a copy of your marriage certificate may be required.

PROCESS & DETAILS ABOUT THE TRANSFER

- You must send a completed Transfer Application Form to both the importing and exporting pension plans.
- The amount available for transfer is equal to the actuarial value of the exporting pension plan's benefit.
- The amount requested by the importing plan will be equal to the actuarial value of the service to be credited.
- If the amount available for transfer by the exporting pension plan is less than the amount requested by the importing plan, the importing plan will credit you with a portion of the service. You will have the opportunity to purchase any shortfall in service. If you do not pay the difference, your pensionable service will be reduced proportionately.
- If ATRF is the exporter, and the amount requested by the importing pension plan is less than the value of the benefit you would receive if you were withdrawing funds as a termination benefit, the difference will be paid directly to you in cash with income tax deducted. It cannot be transferred to an RRSP. ATRF must withhold income tax at source based on the rates listed below. However, the actual tax payable will be calculated when you complete your income tax return, and could be higher than the amount withheld. ATRF will issue a T4A Supplementary Form with your cheque, detailing the payment and the tax withheld.

Amount of Payment	(Outside Quebec) Withholding Tax Rate	(Quebec Only) Withholding Tax Rate
Up to and including \$5,000	10%	19%
Over \$5,000 up to and including \$15,000	20%	29%
Over \$15,000	30%	34%

- You will be asked to approve the transfer of funds by signing a "Transfer Estimate and Acceptance Form" within 60 days of being provided with detailed transfer and benefit information.

- The transfer of pension credit for service accumulated after 1989 may result in past service pension adjustment (PSPA). A PSPA will reduce your RRSP contribution room. A PSPA is usually generated if your new and former pension plans have different benefit formulas, or if you top up any shortfall of funds being transferred.
- A PSPA must be approved by the Canada Revenue Agency (CRA) before the transfer can be completed. CRA usually takes 60 to 90 days to do that. If the PSPA is not approved, you may not be allowed to transfer credit.

ONCE THE TRANSFER HAS BEEN COMPLETED

- The service is no longer to your credit with the exporting pension plan, and no benefit is payable.
- The benefit available to you from the importing pension plan will be paid according to its provisions.
- You will be credited with the contributions that represent your employee contributions as reported by the exporting pension plan.
